

# WILLIAMS IS AN EASY MARK FOR TOMMY FELSO

"Red" Never Had Chance; Carter Wins; "Red" Hogan Looks Good.

## PLENTY OF STEAM IS TURNED LOOSE

It was a great Thanksgiving evening for the "Reds" and the "Tommy" out at the old fourth "T" where Lieut. Carter J. Stuber pulled out a good boxing show in spite of many other attractions and a just that has been on the Neutemans trail all week.

### Falso Wins All War.

In the main event Tommy Falso disposed of "Red" Williams in the early part of the second round after jabbing Williams whenever he pleased and making a chopping block of him as Nick Gundy had predicted. Falso tried hard enough, but knew too little about the game to interest Tommy. Williams' heavy wallop and clumsy baseliner were easily avoided by Falso moving his head or blocking, then cutting Williams' mouth and nose until they bled freely.

It had been predicted that "Red" would drive an arm or two through Tommy's stomach, but he couldn't land in that region at all. Just to show that there really is such a thing as a stomach blow, Tommy unceremoniously shorted off at close quarters, took hold of Williams and let him down to the floor easily so that it couldn't be said that the floor hurt "Red" and referee Lieut. McCull counted ten, advising "Red" to go home. Not being able to go himself he was carried by his second.

### Carter Gets Decision.

In the semi final, Tommy Carter won a decision over Billie Love. Love led in the first round. Carter took the next three. Then Love shot over one in the fifth and Tommy groggy. Carter held off in the sixth, came back strong in the seventh and eighth, and Tommy came back strong in the last round and was given the decision.

### Hogan Natural Boxer.

For a boy who knows nothing about hitting and but little of the game otherwise, "Red" Hogan was the surprise of the evening in his bout with "Red" Margolis. Hogan is a natural boxer, sets in and out easily, is cool and aggressive, has a fine physique. The two "Reds" put up a good battle, it being fit for the first round. Margolis proved the more careful boxer and showed some real skill at hitting right, which Hogan lacked almost completely. Margolis received the decision, but the bout was a good one and Hogan showed strong native ability. If he is really interested in the game and will get with some good men like Tommy Falso for six months or a year, he should make good. Margolis shows improvement in his boxing.

### New Murphy put Battling Moreno away in the first round in the fastest bout of the evening.

Over let up until it was over. Moreno displayed but little knowledge of the game.

### Rosey, the Kid.

In the opening bout of the evening Rosey and Romero, both of the team hospital, gave an excellent exhibition of how much steam may be expended and no damage done when the mark is missed a few inches all the time instead of being hit. When Rosey had his man out from exhaustion, he generously waited until Romero recovered. Maybe he didn't know there was anything the matter with "The Fighting Wagon" but it had the appearance of extreme gallantry—too much for a wise head in the squared circle. Rosey won.

### Lieut. Condrack, Fifth cavalry, did the announcing in pleasing manner.

### SUNDAY SPORTS FOR BOSTONERS.

Eight thousand fans turned out in Boston to see the service team play football on Braves field a recent Sunday—and the war welfare people hesitate to endorse Sunday sports, and the law makers of Massachusetts insist that a Sunday sporting event is a crime. Where else could those \$500 Bostoners been better off on Sunday than out watching an athletic contest?

### CARRIERS' DAY.

As tomorrow is the last Saturday in the month, Haval carriers will collect November accounts.

# BLISS SCORES CLEAN CUT VICTORY

Cody, In Game Fight To Finish, Fails To Score; Remarkably Clean Contest; the Slow Field Causes Much Fumbling; Tigers Go Down Before Sturdy Miners; Weather Handicaps Attendance; Substantial Sum Realized For Charities.

It wasn't the individuals, nor the Bliss team as a whole, but the overlying team-work of every blizzard's soul.

A HARD FIGHTING contest bristling with fight to the finish, the Fort Bliss eleven Thursday afternoon defeated the Camp Cody gridiron aggregation on the Stadium field, 19-0.

While good work had been done in blotting up wastes of water that stood on the field from melting snow, the mud coated through, making the field slow and play uncertain. The pickup becoming slippery caused many fumbles that would not have occurred on a dry gridiron. Yet fast work was done by both teams at times, particularly by Blissers, who proved faster throughout the game than their adversaries.

Lieut. Frank Gilreath, Boslego, Newell starred for Bliss while every member of the team was on the job. Capt. Solomon alone as the distinct individual star for Cody, both Randolph and Craig playing a strong game.

That Bliss played even a better game than her most loyal boosters anticipated was due to no weakness of the Cody eleven, which put up a magnificent game for the condition of the field. Bliss won by magnificent team work.

Gilreath Starts It.
